Wings, Wine and Wetlands – A Benefit for the Laguna de Santa Rosa Foundation will be held on Sunday, June 24 at our very own Heron Hall at the Laguna Environmental Center in Santa Rosa.

Join us for a celebration of *Migration in the Laguna*. Come stroll the historic Stone Farm's native plant garden, experience our interactive exhibits and enjoy local food and drinks. This is the Foundation's most important fundraiser and vital to the success of our mission to restore the Laguna and to inspire public appreciation and stewardship for this Wetland of International Importance.

We would greatly appreciate your help in making this a successful event by becoming a sponsor. Your sponsorship includes complimentary tickets.

In appreciation for your generous donation, you will be listed in the event program as well as on our event webpage which will include a link to your website, listing in our monthly e-news to over 3,500 people, and acknowledgment on our social media.

Please look over the enclosed sponsorship levels and return the remit form with your donation. Please do not hesitate to contact me with any questions. Thank you in advance for your consideration and support.

Sincerely,

Bev Scotland
Director of Development
